TETSU SERIES
AIR BATHS WITH CHROMATHERAPY

• State-of-the-art Air Massage System features even bubble distribution throughout the tub for total immersion and relaxation
• All models include the EverClean® system, which incorporates AlphaSan®, an antimicrobial agent directly into the air hoses, fighting unsightly mold and mildew around the clock to keep the air system cleaner between uses.
• Chromatherapy lighting system features two LED lights with both pre-set and continuously cycling color functions.
• 1.0 hp variable speed air blower with heater
• Acrylic with fiberglass reinforcement
• Available in White (001) and Biscuit (071)
• Suitable for undermount applications
• Backlit electronic keypad
• Automatic purge with timer
• Chrome drain included
